

RSCDS Western Australia Branch (Inc)

Australian Winter School 2020

WSConvener@rscdswa.com

Dear fellow dancers

The WA Winter School committee has very reluctantly decided to postpone the 2020 school in WA. This decision is a result of the travel restrictions that remain in place, limiting both interstate and international travel and impacting on the ability not only of participants but also our teachers and musicians to attend the school, and also the ongoing uncertainty from the COVID-19 virus. Thank you to all those who showed commitment and registered. We hope to see you again at a future school.

The committee has explored options for postponement or cancellation and has had meetings and email correspondence with our counterparts in the eastern states. Thankfully the other Australian Branches have agreed to a postponement of the WA school till 2022 and we are very grateful to all of them for their consideration of this issue. We are particularly grateful to Brisbane, who was well advanced in their planning, and who have agreed to allow WA to host the 2022 school.

For your diaries, the revised dates for the WA Winter School will be **Sunday 25 September to Sunday 2 October 2022.**

We undertook, and it is our intention, to refund **all** money received for registration. Our Treasurer will be in touch with regard to refunds. Please bear with us through this process.

Please take care and stay safe in these troubled times.

Best wishes

John Brenchley
